JA'S TURNKEY SOLUTION FOR EDUCATORS & VOLUNTEERS

Junior Achievement's national network of educators and volunteers help today's young people connect the dots between what they learn in school and the "business of life"—work readiness, entrepreneurial mindset, and financial literacy.

PERSONALIZED SERVICE

JA works to ensure that local educators and volunteers come together to engage students. Combining personalized volunteer placement, educator engagement, and standards-based curriculum at a local level provides service and support for each JA Learning Experience.

COMPREHENSIVE TRAINING & SUPPORT

JA staff offers training to ensure facilitators are comfortable delivering JA content. Training topics include working with students and educators, and understanding how to effectively facilitate curriculum and specific hands-on activities.

MAKE A DIFFERENCE

Volunteers bring their experience into the classroom, helping students feel connected to their community. The time commitment is minimal compared to the significant impact made.
