

LEARNING EXPERIENCE OVERVIEW

JA Career Exploration Fair®

► Work and Career Readiness

JA Career Exploration Fair is an event where participants learn about a range of career options across multiple career clusters. Volunteers share information about their businesses and/or jobs and participants ask questions as the speakers or participants rotate from station to station. Activities and implementation design will vary based on participants' level.

This event is part of the JA Work and Career Readiness Pathway and can be placed in grades K–12 and post-high school, in-school or after-school/out-of-school.

Participant objectives, activities, and guides will vary based on grade level.
