

Crosswalk to California's AB2927

The California AB 2927 Crosswalk is a curriculum alignment document that maps the requirements of California Assembly Bill 2927 (Ed. Code §51284.5) for personal finance education to the content covered in **JA Financial Literacy 2.0**. The crosswalk identifies each required personal finance topic, and aligns it to the corresponding JA Financial Literacy course unit(s). Topics include banking, budgeting, employment and income, credit, loans, insurance, taxes, investing, consumer protection, postsecondary financing, financial well-being, charitable giving, and other relevant personal finance concepts.
